Job Purpose:	<p>Daily Management and supervision of the reablement support workers. This involves the coordination of referrals and assessments so that goal/care plans are developed in a personal centred approach. Ensuring we are working as part of a multidisciplinary team with the purpose of enabling clients to stay in their own homes and facilitate timely hospital discharge and prevent hospital admissions.</p> <p>To provide a comprehensive Risk Assessment & Home checklist ensuring their home will support their independence goals. Working with a range of professionals both in the hospital and community setting to ensure client is safe at home.</p> <p>To resolve any issues which they find upon first visit of the client, including medication, home environment and equipment.</p> <p>To provide a holistic assessment of a service users' needs in order to establish their personal centred Goal/care plan on Day 1 of entering the Reablement service.</p> <p>Provisions of timely Supervision of Reablement Support Workers to ensure development of staff skills/knowledge to ensure a high quality of service is delivered to clients, ensuring staff are trained to their appropriate level, maintaining their compliance with training</p>
---------------------	--

Main Duties and Responsibilities:

- To be the first point of contact for new referrals to Reablement. Initial assessment within the Hospital setting and allocation of needs to ensure effective discharge. To ensure that discharge is effective by signposting/arranging support for other teams/voluntary organisations for help with shopping, cleaning, transport supports needs.
- To provide a holistic assessment of a service users' needs in order to establish their person centred Goal/care plan on Day 1 of entering the Reablement service.
- To resolve any issues which they find upon first visit of the client, including medication, home environment and equipment.
- To work on own initiative to solve problems that they find on first visit to the client, these could range from unsafe hospital discharges to finding a client is a hoarder. Liaise and work with a whole range of professionals from both the hospital and the community, including GPs, nurses, Occupational Therapists, Social Workers and Environmental Health Officers.
- To complete medication and risk assessments, in accordance with the agreed policy and procedures and maintain appropriate records. To be CQC compliant in practice standards of recording on Goal assessments, MAR charts and appropriate escalations of concerns e.g. safeguarding
- To complete manual handling risk assessments effectively and liaise with the teams Occupational Therapist and other team members where necessary, to ensure effective care is delivered and safe practice delivered.
- Providing 1:1 supervision of up to 8 Reablement Support workers, who are delivering care & support to clients in their own homes. Completing supervision sessions, on-patch monitoring and yearly PDR's.
- Completion of 'On patch' supervisions with Reablement Support workers, including the monitoring of medication compliance.
- Working as part of a multidisciplinary team, promoting effective communication between other internal teams and outside agencies to arrange the reablement support process.
- Management of staff absence, providing immediate cover where necessary and arranging further cover for their continued absence. Providing the Reablement Assistant Manager comprehensive communication regarding staff absence to ensure their sickness and any performance issues are dealt with timely and in accordance with PCC Policies and Procedures.
- Decision making of situations/matters of concern which need escalation to the Emergency Duty Team or the Adult Social Care 'Manager on call' during out of hours.
- Give advice, and review, the delivery of services to clients in their own homes, ensuring that reablement goals are being worked towards and that levels of support/care are appropriate and
